Welcome to the Members' Info area of our website

In response to Covid-19 we have now implemented an online booking system with a reduced number of firing points for your safety.

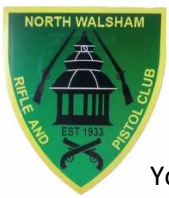

To book your firing point slot on a specific day and time please click the red button on the right and follow the instructions.

By using this booking system you are confirming that you have read, and agree to abide by, the COVID-19 Range Rules.

Please be aware, that from the 1st of September you will need your membership number to book, so please ensure you pick up your membership card from the Range in August.

COVID-19 Range Rules

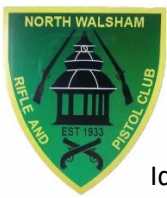

You will now be in the “Firing Point Booking System”

Select the range you want to book your firing point on by clicking the correct heading;

- Range 1 (Air weapon range) (4),
- Range 2 (25y, 50m or 100y Prone, 3P or Benchrest) (5)
- Range 3 (Gallery Range) (6)

Once you have selected the range you want you will see a list of all the firing points that can be booked (due to Social Distancing the selection is limited).

Identify the firing point that you wish to book and click the “Book Now” button to the right of it in the list. For example, in the image below, if I want to book Range 2 – Firing Point 6 I would click the “Book Now” (7) button to the right of that entry in the list.
