

## **NORTH WALSHAM RIFLE & PISTOL CLUB**

**Happisburgh Road, North Walsham, Norfolk**

Home Office Approved Small Bore Rifle; Full Bore Rifle and Muzzle Loading Pistol Club. No: CFP/10.1.7.4.1.2.1.2.3.362  
Affiliated to the National Small-Bore Rifle Association, Muzzle Loading Association of Great Britain, Norfolk County Rifle Association

### **RANGE ORDERS for 25yard, 50metre, 100yard RIFLE RANGE**

#### **Firearm types permitted on this range**

Air Rifles (inc FAC rated) .22 calibre rim fire Rifles/Carbines - .22 **WMR** is not permitted.

#### **Limitations**

- Prone and kneeling firing positions are to use the ground level clubhouse firing points **1 to 8**.
- Standing, positions are **2.3.4.5.6 & 7**.
- Sitting and bench support firing positions are raised dedicated clubhouse firing points **1.2.3 & 4** and also positions **5.6.7 & 8** with suitable tables
- Kneeling positions are **5 & 6**.
- When Shooting, members must ensure they use the appropriate target frame for the discipline

Maximum permitted **ME 480 joules** (350ftlbs). Maximum permitted **MV 610mps** (2000fps).

- All shooting must take place down range, parallel with the range, using appropriate target frames and paper targets.
- No loaded firearm is to be raised or pointed above the bullet catcher or outside of the range width markers.
- All shots must safely hit the bullet catcher, no bullet should strike the ground, flags, range markers or target frames between the firing point and the bullet catcher. With the length of the range, it is important to line your targets up to alleviate cross shooting.

**All shooters in particular those using semi auto firearms** are reminded the range is designed for firing aimed shots from a supported position to ensure the correct Cone of Fire (C of F) and range error angles are calculated to account for this Therefore care must be taken to ensure all that rounds engage the target.

**Reviewed and Amended**

**NWR&PC Committee February 2021**
